Operated by CANSO in partnership with ATCA

WiMAX FORUM® AeroMACS 2017

@WATMC | MADRID, SPAIN | MARCH 8

AeroMACS 2017 - Madrid will be held at [World ATM Congress](#) on Wednesday 8 March from 13:00 to 17:00 at IFEMA - Feria de Madrid Convention Centre, Recinto Ferial Juan Carlos I, Parque Juan Carlos I, s/n, 28042 Madrid, Spain. The Seminar will focus on supporting the global Aviation Community in managing profitable developments and growth of their AeroMACS networks.

AeroMACS 2017 - Madrid is an event for all participants to meet, exchange ideas, and develop business and cooperative relationships. The event will highlight the opportunities, challenges, and strategies involved in operating efficient AeroMACS networks.

This seminar is constructed to allow the global Aviation Community to network, share key lessons, and collaborate for the benefit of the industry. Our goal is for attending participants to gain concrete knowledge that will help them build best-in-class AeroMACS networks.

Topics of discussion will include:

- International Standardization
- AeroMACS Applications, Integration and Deployments
- Current and Future Aeronautical Communications
- AeroMACS Security and Certification
- And more...

For additional information, please visit: www.WiMAXForum.org/Page/Events/AeroMACS-2017-Madrid

For any questions regarding this event, please contact Alessandra Rocha, the WiMAX Forum Business Development Manager at Alessandra.Rocha@WiMAXForum.org.

We look forward to seeing you in Madrid!
